Club SciKidz Dallas requests that sunscreen be applied to your child PRIOR TO DROPOFF each day. If you feel that is sufficient for your child, you do NOT need to complete and submit this form. If you feel that your child needs an extra sunscreen application during the camp day, please complete and return this form to the Site Director prior to or on the first day of camp. You are responsible for providing the sunscreen of your choice in your camper's backpack.

For campers entering PreK & Kindergarten, I request that the site director apply sunscreen 1x daily if campers are going outdoors between the hours of 10:00 am and 4:00 pm. I understand that sunscreen may be applied to exposed skin on the face, bare shoulders, arms, and legs.

For campers entering 1st- 7th grades, I request that my child be reminded to apply sunscreen 1x daily if campers are going outdoors between the hours of 10:00 am and 4:00 pm. I understand that my child is responsible for the application of the sunscreen.
